Greetings:

It is my pleasure to recommend *Clarence Darrow's Unions and Justice* as performed by Mr. Gary Anderson.

Clarence Darrow's Unions and Justice is both informative and entertaining and provides valuable insight into one of America's most passionate and effective voices for workers and social justice.

Union audiences and other progressives will certainly find Mr. Anderson's performance engaging and inspiring as he explores the important role of Clarence Darrow in defending some of America's most significant labor leaders.

I recommend *Clarence Darrow's Unions and Justice* for those interested in an entertaining experience combined with a unique perspective on American labor history.

Sincerely,

Bill Londrigan
President
