Re: Gary Anderson/ Portrayal of Clarence Darrow

In the Fall of 2008 the Montana Judges Association spent an afternoon with Clarence Darrow as portrayed by Gary Anderson, titled Clarence Darrow's Judicial Perspective. It was an outstanding continuing legal education program enthusiastically received by our members.

Mr. Anderson's portrayal covers four of Darrow's most famous trials. His "performance" was interlaced with Judges from our association taking on the part of the Judges in the actual trials.

This unique presentation was highly informative and thought provoking. It takes one out of the busy daily routine of court business and causes us to think about the great purposes of our judicial system.

I highly recommend this program. I understand that Mr. Anderson has variations of the presentation well suited for practicing attorneys and others as well.

Very truly yours,
