RESPOND TO SYRACUSE OFFICE

November 15, 2011

Gary Anderson, CEO
Clarence Darrow Foundation

Dear Gary:

Thank you for participating in our annual Northern District of New York Fall seminar in Albany on November 2, 2011. Your presentation was without question one of the most inspirational programs ever offered in this District for criminal defense attorneys. Your portrayal of Clarence Darrow was magnificent and your detailed analysis of his pivotal trials was both entertaining and educational.

Your program received rave reviews from the attendees. For example, some of the comments on the evaluation sheets included, "best second half ever - bring Gary back"; "never had anything like C. Darrow bit-great"; "this was by far the most inspirational seminar I have attended"; and "Gary Anderson is a tour de force, poignant, timely."

There is no doubt you left a lasting impression on the attendees and provided not only an important historical perspective of Clarence Darrow's search for justice but also, a much needed inspirational boost for many of those in attendance.

I would highly recommend your Continuing Legal Education program for not only practicing attorneys but also, for aspiring lawyers and law school students. Thanks again for sharing your passion for Clarence Darrow with the lawyers in our District.

Very truly yours,
OFFICE OF THE FEDERAL PUBLIC DEFENDER
