RE: Clarence Darrow's Search for Justice

Dear Gary:

On behalf of the Pennsylvania Bar Institute, we would like to thank you for performing your outstanding and thought-provoking program *Clarence Darrow's Search for Justice*. You gave the audience the opportunity to experience sitting in the courtroom with the legendary litigator. As one audience member put it, "It was an exceptional and mesmerizing presentation – it was a time travel experience that I have not experienced before."

Your riveting performance reminded attorneys who have forgotten why they love the law and the precious power entrusted to them to protect the law. The attorneys who attended the program commended your portrayal of Clarence Darrow and the awareness that was raised of the noble role of an attorney.

PBI was very pleased with the performance and recommend Gary Anderson and American Legend Theatre Works to other groups.

Best Regards,

Clair A. Papieredin
